Get away from it all

Hidden away in the heart of Wales since 1664, Camp Plas is a haven for animal lovers, walkers and those that simply want to get a little closer to nature.

Whether you're pitched up in our beautiful wildflower meadow, relaxing in the Boatshed or enjoying the woodland seclusion of Cuddfan Bach, you'll find a spot that's perfect for fireside storytelling, star-gazing or getting closer to nature.

We're members of The Greener Camping Club and are committed to sustainable, responsible, eco-friendly camping in this wonderful natural setting under Allt Dolanog.

One space, endless options

Be close to nature whilst enjoying your special event, we love to host people who have a love for the environment & a respect for nature.

Our Barn is extremely spacious and adaptable and can be adapted to most events, we've had concerts, barn dances, yoga sessions and crafts events, just to name a few! It also makes a great place to have lunch when not using our extensive land, providing a stunning backdrop to accompany your downtime, surrounded by nature.

The Barn

ACCOMODATION

We have a range of unique eco accommodations, that includes luxury glamping, as well as bell tents in our idyllic meadow.

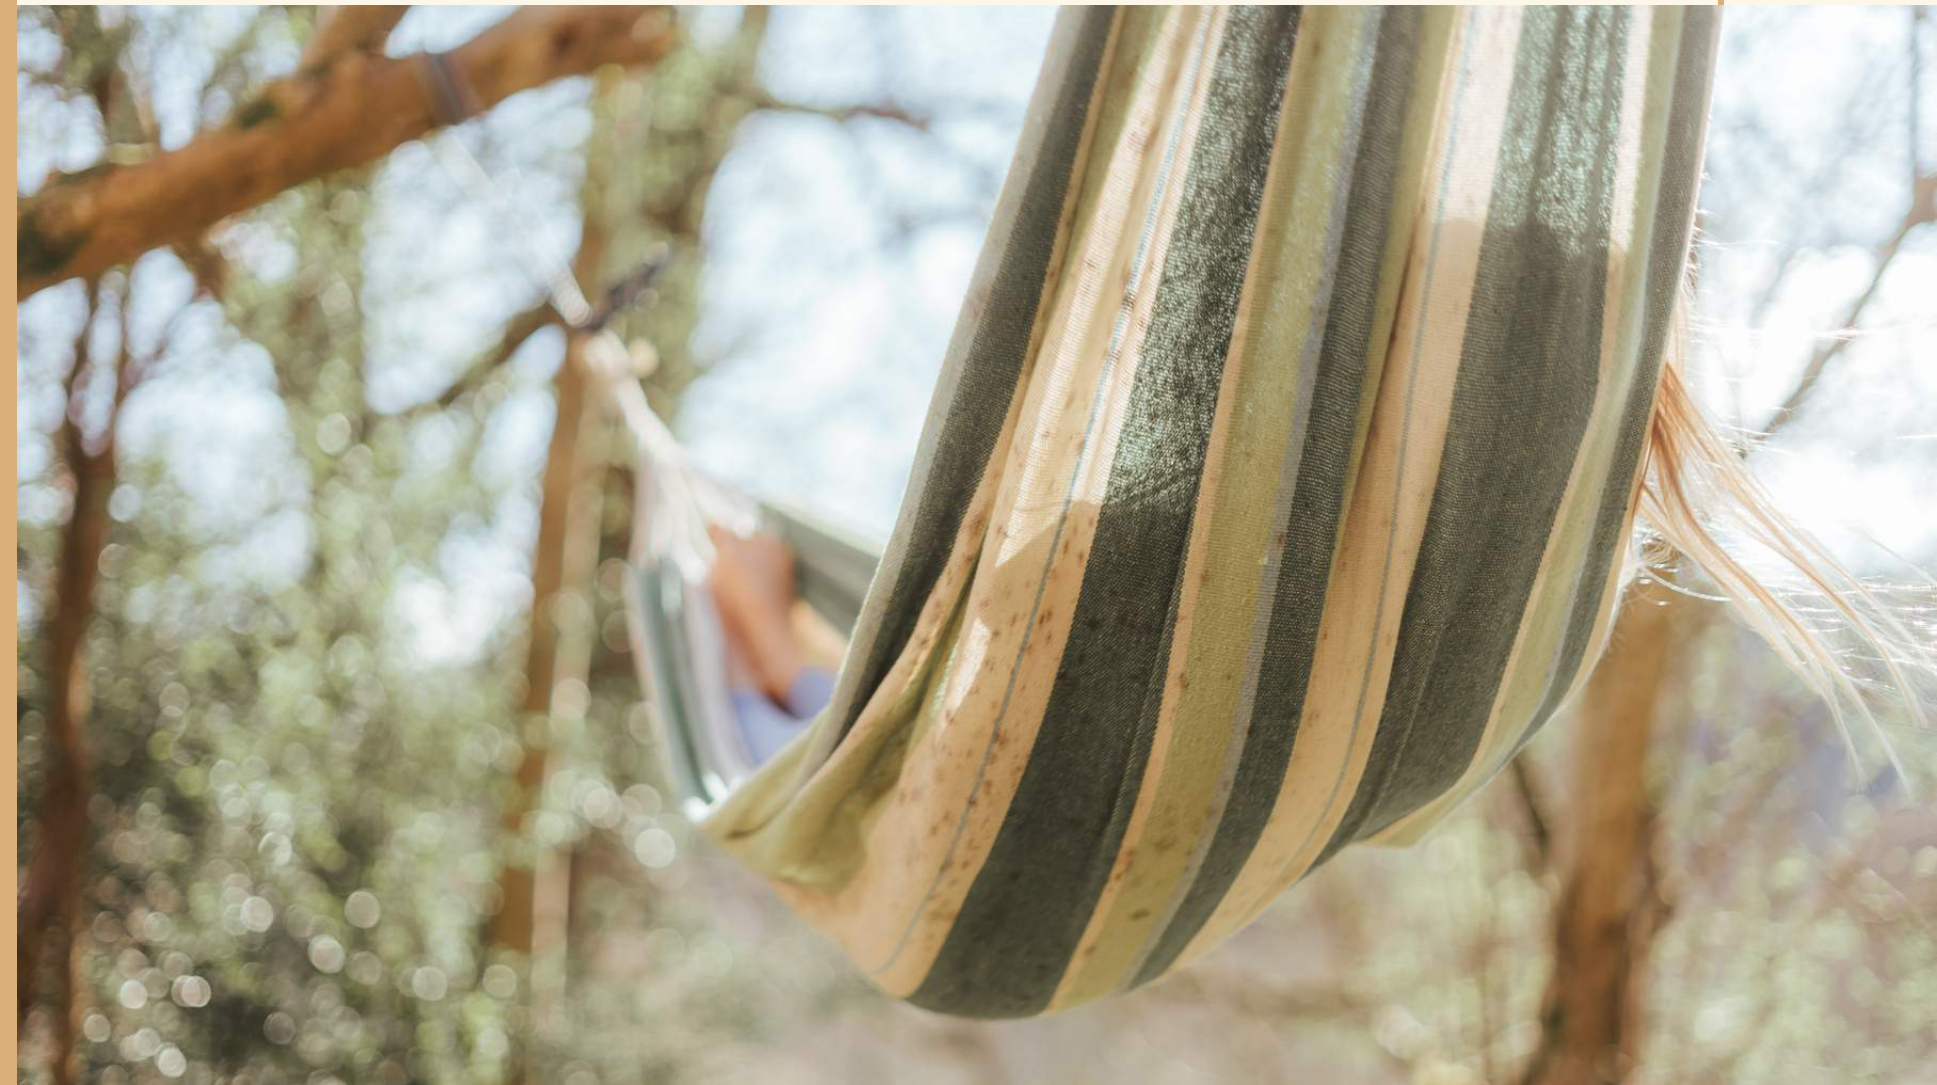

Luxury Eco

Both our beautiful Boatshed and woodland escape, Cuddfan Bach offer the chance to experience nature from the comfort of your warm cosy bed.

Bell Tents

Hear the peaceful sounds of the River Vyrnwy from our beautiful wildflower meadow, where bell tents and pitches are available.

Riverside glamping

The perfect room with a view. You will have your own cooking facilities, as well as a log burner to warm those chilly nights. It's the perfect romantic getaway for two, or with a third single bed, it would be great for a small family too. The boatshed is overlooking the river and is a truly serene spot on our farm, where you'll see our rare breed sheep and lambs in the nearby fields. The boatshed has its own toilet and sink, and a private outdoor shower & bath just outside the front door.

Cuddfan Bach

Woodland oasis

As you walk up the steps and into the woods you'll discover Cuddfan Bach (Little Hideaway'), our luxurious 6m bell tent nestled amongst the trees. Cuddfan Bach enjoys a secluded spot overlooking the farm. The tent is built on a raised decking platform and guests enjoy their own fully stocked outdoor kitchen (including oven, hob and fridge), with running water from a natural spring. Cuddfan Bach has its own waterless toilet, and a hot shower can be found in the luxury shower block.

The Meadow ✨

Perfect pitches

Camp Plas campsite has a total of 9 tent pitches, *3 field bell tents and 5 campervan pitches. The tent pitches and bell tents are spread along our large wildflower meadow, and the campervan pitches are in the field next to the wildflower meadow. Some under the shelter of our native oak trees next to the peaceful sound of the river Vyrnwy, and the others next to our working farm field which usually has our rare breed sheep roaming freely (along with their little lambs in spring time).

Hand-built comfort

We know that the facilities can really make your time here special. During your event, you'll have use of our kitchen area that has a sink, tea and coffee-making facilities & gas hobs. The showers and toilets are self-contained, heated little sanctuaries where you can freshen up and get ready to make the most of another beautiful day here in the valley.

Take the plunge!

It's lovely to camp next to the peaceful sound of the river Vyrnwy, but that's only half the fun. Whether you're after a gentle paddle or the full Wim Hof, a stay at Camp Plas offers you unbridled access to one of the most gorgeous rivers in Wales.

We also offer you the chance to join Wales' most exclusive wild swimming club, The Dolanog Dippers!

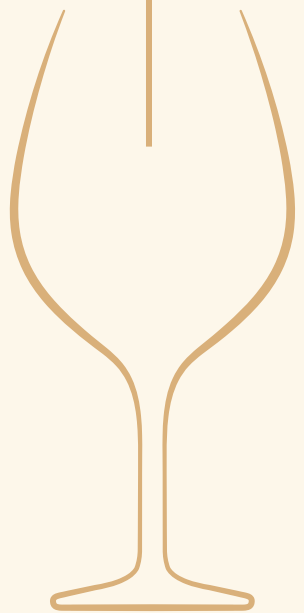

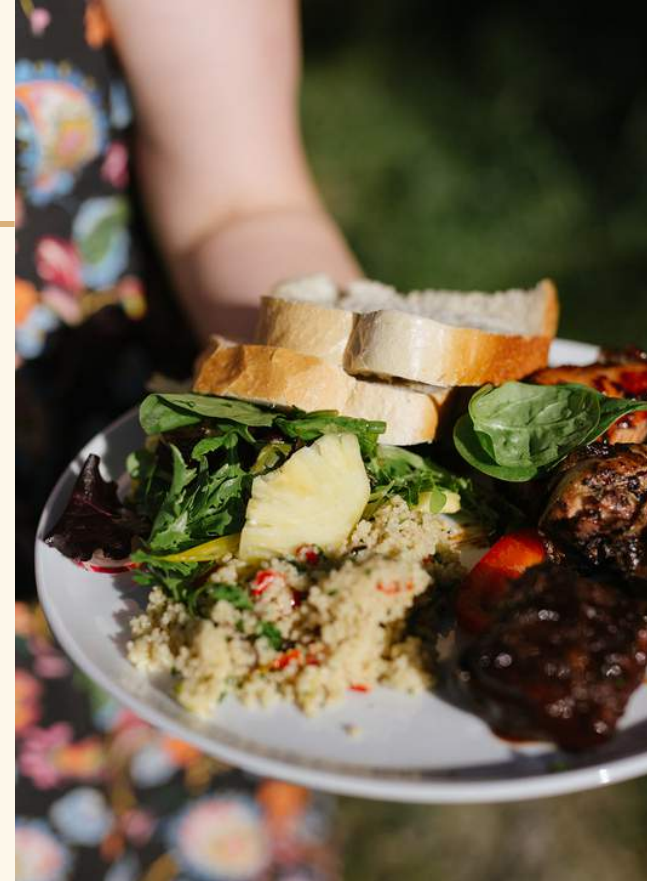

Room to breathe...
